

Paul Delaney:

Paul Delaney has lived in Westmont with his wife, Rhonda, and daughter, Kaitlyn, since 2007. Their dog Dakota has lived in Westmont since 2015. Paul has served on the Westmont board since 2022. Paul was an accountant by background and grew up in Philadelphia, PA before relocating to Texas with Rhonda in 2002. Paul currently serves as the Chief Operating Officer for Fenix Parts, a leading reseller of used OEM automobile parts. The Delaney family enjoys travel and skiing in their free time and loves the Westmont community.

Carl Britt Wirt:

My wife Tracy and I are 8 year residents of Westmont. We have 2 daughters and 3 cats. I spent most of my professional career in the software and services space as a founder and executive leader. I'm running for a seat on the HOA to help ensure our community remains a safe and happy place to raise your family. Thank you for your consideration!

Gary Panno:

Lisa and I have lived in Westmont approximately 10 years. We are homebuilders for the past 45 years. Now I spent half my time in the homebuilding business and the other half retired. I have worked with Carel Tornes on multiple issues in Westmont's common areas. Many of the issues in Westmont are cost, drainage or landscaper related as in home building. I have access to the subcontractors and the knowledge of cost control needed to keep Westmont a highly desirable community within budget.

Marietta Klein:

We built our home in Westmont in 2003 and during that time and over the years have always respected the mission of our HOA and the oversight needed to maintain the quality of the neighborhood we personally chose for our families. My degree was Quantitative Methods and Information Systems with the college of business, and I have an MBA. My career included writing/installing software, sales Vice President of Sales and marketing, business consultant and most recently owned my own business and closed it last summer to focus on my family. I have served as President on a school board for several years and was very active in school committees. Was also a member of the Colleyville Women's club for several years and currently a member of the Hospitality committee at the Nelson Golf and Sports Club. I enjoy traveling with my family and playing pickleball in my spare time. I believe I can be an asset to the board, as I love people, Colleyville and the neighborhood. My background as provided me the patience to listen, understand and make decisions that will better the overall community.

Lena Campbell:

My husband Clay and I moved to the Westmont community during the summer of 2019 from Arlington, TX. We just fell in love with the neighborhood immediately. We may have already met while we walk our golden retriever Honey, or spoke to me while I was outside planting flowers in my front yard. Currently, I am semi-retired working my way to full retirement. During the course of my career, I have worked for two billion dollar consumer goods companies before venturing on my own 20 years ago and becoming a successful global entrepreneur. With my work experience and love of Westmont, I would like the opportunity to contribute to the ongoing success of our community.
