

Information regarding Westmont Mail Box and Fence paint and or repair

Mail Box and Wrought Iron Fence Painting

If you want to paint your own mailbox/fence or have someone else do it, here is the information you will need to get the approved paint colors for Westmont.

All the paint should be purchased at:

Sherwin Williams (In the strip center across from Market Street)
5604 Colleyville Blvd
Colleyville, TX
(817) 514-3954

The account is under the name Westmont account #: 3649-3785-4

The paint for the bottom of the mail box and the wrought iron fence are the same color.

Ask for order number 7230-0011987.

The paint is an enamel satin, Deep Bronze BRZ4

The paint for the mail box topper.

Ask for order number 7230-0146225.

The paint is an enamel low sheen

(If for some reason they do not have it on file they can call the Sherwin Williams store by the NE mall in Hurst to get the information)

The paint for the mail box numbers

Ask for order number 7230-0010714

The paint is an all-purpose enamel low sheen Brownish Red

To purchase new house numbers

The HOA no longer has a vendor for this work. As soon as we do we will update everyone

Repaint House Numbers

You can contact Edgar Meta at 817-808-8532. He has been approved by the HOA to repaint our house numbers. The background color is the same as our fence and mailbox colors and the numbers are the same color as the mailbox numbers. For paint details see the paints for mail boxes below. He charges \$60 to repaint the house number.

Westmont Replacement Mail Box Specification

The paint for the mail box numbers

Ask for order number 7230-0010714

The paint is an all-purpose enamel low sheen Brownish Red

Installation:

1. You will need someone to remove the old mailbox which is spot welded to the mailbox stand and to weld the new mailbox to the stand
2. Paint the new mailbox
3. Remove the house numbers from the old mailbox door and install them on the new mailbox.
4. Do not place the red mailbox flag on the new mailbox
5. If you are concerned with the two holes in the mailbox, where the flag was to be installed, there are two small bolts in the flag box that can fill the holes and then you can paint them with the rest of the mailbox.

Installer

If you cannot find someone to install the new mailbox, below you will find someone who can help you with the replacement.

You will have to have the mailbox on site for him to install it as the price does not include the cost of the mailbox.

Option 1

Remove, replace and paint the new mailbox and install and repaint the house numbers. Cost \$90

Option 2

Remove, replace and paint the new mailbox and install and repaint the house numbers plus paint the mailbox topper and the mailbox frame.

Cost \$190

Note, if your neighbor wants their mailbox done as well the cost would be more
